

Volunteering at the Festival

We have needs for both volunteers and committee chairman positions!

See current opportunities below.

While the festival takes place in September, you can volunteer with us year-round! There are various opportunities to get involved and help out in the months leading up to the event, as well as during festival prep and post-festival activities. Review the available volunteer options below.

Children's Activities Chairman: Join our team as the Children's Activities Chairman for The Riverfront festival 5-9pm, where kids will enjoy fun and educational activities. You'll recruit and organize a team of enthusiastic volunteers to help run these activity zones. Your leadership will ensure a memorable and engaging experience for our young festival-goers. If you love working with children and organizing events, this is the perfect opportunity for you.

Ticket Sales Chairman: As the Ticket chairman for The Riverfront Festival, you will play a key role in ensuring a smooth and successful event. Your responsibilities will include recruiting and coordinating a team of dedicated volunteers to assist with on premise ticket sales, collecting tickets at gate, and escorting folks to their seating area.

Volunteer Chairman: The Chairman of all Chairmen!! Work with The Riverfront Festival organizers to organize volunteers across all categories. Requiring planning and participation before the festival, as well as the day of the festival. Existing knowledge and prior volunteer experience required.

The success of this festival will stem from the hard work and hospitality offered by our core groups of dedicated volunteers. We invite you to join the team! Festival planning and preparations go on year round, so volunteers are always needed for a multitude of tasks. Volunteer opportunities are small to large, easy to extensive-but always much appreciated.
