

## FOOD VENDOR INFORMATION

Anyone cooking or handling food at the festival must be approved by Harford County Health Department

Accepted food vendors must be licensed to sell in Harford County

Food vendors will be set up inside festival grounds.

Although unlikely, if you are operating under a tent and not in a truck you may encounter uneven services and a moist working environment if there was prior bad weather.

Charcoal grill (open flames must be 20' from any structure and cannot be operated under a tent.

Food vendors operating under a tent, must be certified flame retardant.
