General Guidelines for Food Truck Vendors

1. The HDG Extreme Boat Docking Committee will provide approval to ensure no duplicate culinary cuisines.
2. All applications (including payment of all fees) are requested 30 days before the date of the event; payment must be made prior to the day of the event or your application will be void.
3. Acceptance and placement of all food truck vendors in the event will be made by the HDG Extreme Boat Dockin' Committee
4. The Riverfront Festival is a rain or shine event. In the case of severe weather, the event will be cancelled no later than 2 hours prior to the event start time.
5. Set up for the day event at The Lock House begins at 9:00AM and breakdown must occur by 5pm.
6. All food trucks must be attended during the hours the event is in operation. If an emergency arises and a vendor must close before the end of the event, all goods and equipment must be promptly removed from the event area, however, vehicle access to the event area in this circumstance will be at the discretion of the Event Coordinator.
7. Vendors participating in the *Riverfront Festival* event may set up in the road no further than the designated parking spaces in front of the establishments. This allows room in the middle of the street in case an emergency vehicle is needed.
8. Vendors shall be responsible for handling all their own security, cash, point of sale transaction and other financial dealings. The HDG Extreme Boat Docking Committee assumes no responsibility for cash, merchandise, personal or business property which is lost, stolen or damaged during the course of the event.
9. Vendors shall refrain from disorderly conduct, antagonism, vocal and vitriolic criticism of other vendors, the general public, all employees of the City of Havre de Grace, the HDG Extreme Boat Docking Committee and The Chesapeake Cowboys during the event. Any action on the part of any vendor which requires the intervention of the Havre de Grace Police or Events Coordinator shall be deemed cause for immediate expulsion of said vendor subject to the discretion of the Event Coordinator and may result in omission in participating in future sponsored events.
10. Vendors may, at their discretion, make marketing materials, advertising, artwork (either electronic or printed material) available to the HDG Extreme Boat Docking Committee for use in advance publicity for the event and its participants.
11. Any sale or dispensation of food shall be governed by the regulations of the Harford County Health Department, or any licenses issued by said agency.
12. The HDG Extreme Boat Docking Committee reserves the right to change or amend these regulations at any time with notice provided to all participants.
13. Food vendors must take care of all licensing and permits through Harford County Health Department that are required for participating in such an event.
